

**OASC Meeting  
October 22, 2009  
10am-12pm  
Ossipee Main Street Office  
Ossipee, NH**

**Agenda**

**10:00-10:45 Goals & Targets for 2009-2011 for Public Outreach & Education Campaign to support Drinking Water Protection Efforts**

- \*Who do we need to reach to be successful in your town?
- \*What points should be emphasized and what do you anticipate will need clarification or special attention?
- \*What is the best way to reach this group? (Meetings, workshops, presentations, press releases, posters, tv/video, radio, internet, etc.)
- \*When is the best time to do outreach to this group?
- \*Who is/are the best person/people to answer questions, rally support, and keep a pulse on your town?

**10:45-11:15 Town Displays**

- \*Review Template – suggestions? Comments? Different ideas?
- \*Location – decide where to put them in each town, get permission, spec's

**11:15-11:45 Road Salt Workshop & BMP Projects**

- \*Updates on upcoming workshop November 5<sup>th</sup> w/ NH DES, T2 UNH, NH DOT, UNH Natural Resources Dept. (agenda attached)
  - Make sure the right people attend
  - Can this group call road agents, town selectmen, contractors, DOT workers to ensure participation?
  - Review surveys –any changes? (attached – one for town officials/road agents for information gathering prior to the workshop, one for workshop participants pre & post workshop)
- \*Other ideas on press release, program, etc. for road salt issue?
  
- \*Province Lake BMP demo project November 4<sup>th</sup>
  - Update on this project & other potential BMP projects
  - How best to publicize, promote & encourage this work
  - Other BMP project nominations from the Watershed (lack of response from towns, PCSs, businesses from survey sent in August)

**11:45-12:00 Outreach Materials & Template Ordinance**

- \*Any questions, comments, changes to Aquifer Fact Sheet, Memo, Q&A's, or other materials (attached)
- \*Any questions about the updated draft ordinance (attached)
