Household Hazardous Waste (HHW) Resources

The Lakes Region HHW collections are held on the last Saturday in July and first Saturday in August. Up to 10 gallons or 50 lbs. per household are accepted. (Latex paint is not HHW: set it out to dry and put it in the trash.)

The Lakes Region Household Product Facility (LRHHPF):

Accepts HHW the third Saturday of each month May through October. This can also be an option for some small businesses. Disposal fees do apply. Contact for more info: (569-5826 or 651-7530), lrhhpf@metrocast.net

Unused Medications can be disposed of at some of the LRHHPF collections and many of the region's police stations. Check with your local Police Department for options. ***(continued on back)***
